+50 YEARS

Camosun College is celebrating its 50th anniversary in 2021 and, after five decades, the college remains true to its roots as a place where students feel supported, included and where they can gain real skills to transform their lives and the future.

In January 1971, the college's councillors voted to adopt the name "Camosun," pronounced "Cam-O-sun," a Lekwungen name meaning "where different waters meet and are transformed."
