For the Change Makers

Why Warwick Business School?

Constantly evolving, today's business world is fast paced. To succeed you need not only the very latest theory and practice but the ability to challenge the status quo and deliver *cutting-edge* solutions.

Warwick Business School is a *world-class* business school at the heart of the University of Warwick, a world-class university. A global school that welcomes students from all over the world, our core values set us apart providing an exciting, *challenging and innovative* learning culture that will shape your future and propel you towards your individual goals.

Our faculty produces transformative research that seeks to lead the debate and create impact. This research underpins our teaching, helping to *develop inquisitive and entrepreneurial minds* that will make a positive contribution in an ever-changing world.

So, we welcome the future problem solvers, value creators and change makers who share our intellectual curiosity and values. Does that sound like you?

Our location

Our beautifully landscaped campus is located in the centre of England, within an hour of London and on the doorstep of Coventry, Birmingham, Royal Leamington Spa and Stratford-upon-Avon.

In 2014 we opened WBS London at The Shard to deliver part-time, executive programmes in the heart of one of the world's great capitals.

Our portfolio of 15 full-time, 12-month postgraduate courses has been designed for the change makers of the future.

From taking your first steps into business, to enhancing your financial acumen, or tackling a specialist area of management, we offer a Masters course that can help you to achieve your goals.

Created for those early in their career, our range of Masters courses fall into three broad categories, **Business**, **Management**, and **Finance**:

- Our **Business** courses offer you a comprehensive understanding of the business environment and its administration, with the opportunity to specialise in one key function of the business
- Our **Management** courses provide an in-depth focus on a specific area of the management of people and technology
- Our **Finance** courses focus on the application of cutting-edge theory in Finance and Economics, aimed at preparing you for careers in the financial industry, or in finance-related roles in non-financial firms.

Graduates of these courses go on to a wide variety of career destinations, from consultancy to in-house positions, finance roles in the City to working for big-name brands, and launching their own start-ups. Whatever your career goal, there is a course that will suit you.

Your course and beyond

We aim to give our students a wide-ranging learning experience, both inside and outside of the classroom. On our courses you will:

- Develop comprehensive business skills
- Gain a firm understanding of how the world of business works
- Learn from some of the world's best researchers, business teachers and experts
- Prepare for your career in specific industry sectors; including finance, human resources, information systems and marketing
- Gain extra experience through co-curricular options.

International perspectives

WBS is a truly international destination, with staff and students coming from all over the world. We have links with many international organisations, collaborative networks, and global alliances. Students on a number of our postgraduate taught programmes have the opportunity to take part in international modules.

Beyond the study programme: co-curricular opportunities

We are proud to offer our Postgraduate students a range of co-curricular opportunities; experiences that complement and enhance our academic curriculum.

2017/18 co-curricular activities included:

- International study trips to Buenos Aires, Cape Town, Rome, Brussels, and New York
- Marketing Insights Series
- Business Insights Series
- Field trips to our London base at The Shard with the British Heart Foundation and IBM Consulting
- CareersPlus coaching and guidance
- Language Skills
- Programming & Advanced IT skills.

Lifestyle

We know that lifestyle is just as important as your course when choosing where to study your postgraduate degree.

We're proud to say that our campus is home to students and staff from all over the world. Inclusive, vibrant and packed with excellent learning, study, lifestyle and practical facilities, our campus is like a small town. Acres of green space provide the perfect backdrop for relaxing, walking, running, riding bikes and outdoor sports.

Accommodation

When it comes to housing preferences, we know that one size doesn't fit all. That's why we have a wide variety of options to ensure you feel at home.

Off campus – enjoy independent living and experience being part of the local community in Coventry city centre or in nearby towns such as Leamington Spa and Kenilworth.

Campus accommodation – a selection of separate postgraduate areas as well as couple and family residences, all furnished and maintained to a high standard and within a 20-minute walk of central campus.

Private accommodation – rent a property off campus through a private landlord or letting agency with advice from the Students' Union.

Societies

Your Masters year should give you the opportunity to explore and grow in both your academic and social life, and with over 300 societies here on campus, there really is something for everyone, enabling you to relax, try something new, find your passion, enhance your employability, have fun and really maximise your Warwick experience.
